

Alle-Kiski Emergency Services Authority

Built on the Legacy of Citizens Hose and Eureka EMS

NOW HIRING: Executive Director

The Alle-Kiski Emergency Services Authority is a newly formed municipal authority incorporated April 13, 2026, serving Brackenridge Borough, Tarentum Borough, and Harrison Township in the Alle-Kiski Valley of Allegheny County. AKESA was created to provide unified, sustainable emergency medical services by consolidating two legacy EMS agencies, Citizens Hose Company EMS and Eureka EMS, under a single public authority structure. The Executive Director will be AKESA's first hire and its operational anchor.

POSITION OVERVIEW

The Executive Director (ED) is the chief executive officer of the Alle-Kiski Emergency Services Authority, responsible for the full scope of Authority operations: implementing board policy, managing staff and contractors, overseeing the financial administration of the Authority, directing the six-month transition from legacy providers to unified AKESA operations, and serving as the primary liaison between the board, the two legacy EMS agencies, member municipalities, the Pennsylvania Department of Health, and the public. The ED will build the Authority's operational infrastructure from the ground up, manage a complex multi-agency transition, and establish the institutional culture of a new public safety organization that communities are counting on for emergency care.

Visit www.allekiskiemergency.org for the full job description. To apply, email a cover letter, resume and three professional references with the subject "Executive Director Search" to jneeakesa@gmail.com.

MINIMUM QUALIFICATIONS

- Bachelor's degree in public administration, emergency management, healthcare administration, business, or a closely related field. Equivalent combination of education and demonstrated experience will be considered.
- Minimum five years of progressively responsible experience in EMS operations, public administration, or a related field, with at least two years in a management or supervisory role.
- Demonstrated experience managing budgets, personnel, and regulatory compliance in a public sector, nonprofit, or healthcare setting.
- Strong written and verbal communication skills with ability to present clearly to governing boards, elected officials, and the public.
- No disqualifying criminal history under required PA Department of Health background check.

**SUBMIT APPLICATIONS BY
